Residential

Anywhere you'd put leather. Everywhere you can't.

With Promessa<sup>®</sup>, you get all the beauty and luxury of leather in places you never thought possible. It's the durable, **antimicrobial** polyurethane that's easy to clean and stain resistant. Plus, it's eco-friendly and **PVC-free**, making it the ideal surface for – well, almost anywhere.

From Ultrafabrics, the makers of Brisa<sup>®</sup> and Ultraleather<sup>™</sup>.
