**Outdoor Surfaces** are engineered to give you a polyurethane surface engineered for solar endurance. Their soft, supple hand, along with their unique ability to stay cool and resist fading over extended periods of sunlight make them the perfect choice for applications anywhere under the sun. Since Outdoor Ultra Surfaces use an advanced, innovative technology, they're strong enough to withstand whatever Mother Nature throws their way.

## Maintenance & Care Instructions

- Clean regularly with soap and water
- Wipe up spills as soon as they occur
- Remove stains with an alcohol-based cleaner like Fantastik®
- Disinfect using a 5:1 water/bleach solution
- Thoroughly rinse all cleaning solution residue with water
- Air dry

### A Special Note on Outdoor Products:

- **All** Ultrafabrics outdoor products should be stored in a dry, well ventilated area
- Ultrafabrics mildew resistant surfaces do not promote mildew growth, however, mildew may grow on dirt and other foreign substances that are not removed from the fabric
- The frequency of cleaning will vary greatly depending upon the local outdoor environment in which the product is used
- Cushions should not remain wet or be covered, as this will increase the chances of mildew growth occurring

## Earth Friendly

- Greenguard® Certified
- No PVCs (Polyvinyl Chloride)
- No POPs (Persistent Organic Pollutants)
- No PBDEs (Polybrominated Diphenyl Ethers)
- No HFRs (Halogenated Flame Retardants)
- Meets the most stringent VOC standards
- No Plasticizers, Heavy Metals or Stabilizers
- Phthalate free
- No toxic by-products
- Over 99% of solvents recaptured and recycled
- ISO 9001 Certified Mill
