

Eco tech features an innovative surface with a high design edge. Created using a special finish technology based upon the matte appeal of Ultra tech, Eco tech takes on a classic pebbled styling. It combines exceptional softness with extreme durability synonymous with Ultrafabrics quality. The cool, understated neutrals which comprise the Eco tech color palette will liven up any home, office or hospitality space, making it the perfect surface for a functional yet stylish aesthetic.

Maintenance & Care Instructions

Keep Ultrafabrics, LLC brand surfaces looking great by routine and proper maintenance. Clean regularly to prevent excessive dirt from accumulating. Follow these guidelines to extend the life of the fabric:

- Clean regularly with soap and water
- Wipe up spills as soon as they occur
- Remove stains with an alcohol-based cleaner like Fantastik®
- Thoroughly rinse all cleaning solution residue with water
- Air dry
-
- Disinfect using a 5:1 water/bleach solution
- Can also be disinfected with several commonly used healthcare cleaners, such as **CaviCide®**, **Virox®**, etc.
