A Symbol Guide to the Practical Benefits of Ultrafabrics Products

Antimicrobial

These Ultrafabrics Ultra Surfaces are formulated with a naturally bonded antimicrobial component that is laboratory proven to reduce microbial growth by over 99%, making them ideal for healthcare applications.

Breathable

Ultrafabrics Ultra Surfaces feature the first polyurethane surface with a unique ventilation system that actually breathes. The result of this technological breakthrough is exceptional comfort that becomes a most welcome part of your life.

Climate Control

Ultrafabrics Ultra Surfaces are exceptionally resistant to the effects of temperature changes. They stay cooler and more pleasant to the touch in warm environments, and resist stiffening and cracking in the cold.

Durable

Designed for superior longevity, Ultrafabrics Ultra Surfaces are engineered with special strengthening components to exceed heavy-duty industry endurance standards.

Earth Friendly

Ultrafabrics Ultra Surfaces are 100% free of VOCs (pass Cal 01350), POPs, and formaldehyde. They are inherently stain-resistant so no toxic aftercare is required and easy to clean without harsh cleaners. In addition, they are manufactured with a process that captures and recycles 99% of all solvents used in production.

Easy to Clean

Our stain resistance technology makes it a breeze to keep Ultrafabrics Ultra Surfaces looking their best. Most spills and stains clean easily with a mild detergent and water.

Solar Endurance

The first polyurethane surfaces formulated to resist fading and spotting, they maintain their original beauty over extended periods of sunlight. These Ultrafabrics Ultra Surfaces exceed rigorous standards for light fastness.

Mildew Resistant

Special technology built right into these Ultrafabrics Ultra Surfaces resists mildew, keeping them fresh and luxurious in even the dampest and most humid conditions.

Soft

The soft and supple hand of Ultrafabrics Ultra Surfaces is a joy to touch, adding an always welcome bit of luxury to your day.

Kid & Pet Friendly

Remarkable durability plus stain resistance means you can invite the kids and pets to enjoy any Ultrafabrics Ultra Surface. Luxurious softness means they're sure to take you up on it.

Water Repellent

Ultrafabrics Ultra Surfaces are formulated to shrug off water and prevent most stains from ever setting in.

Flame Resistant

Ultrafabrics Ultra Surfaces are inherently resistant to flames making them the material of choice for both beauty and safety.
