State-of-the-art Technology

Tech Surfaces (Metro tech, Eco tech and Ultra tech), part of the Ultra Innovation Collection, are designed with a special finish technology that gives an understated look and feel. They are designed to tailor easily, making the **luxurious matte finish** a perfect surface for modern, contemporary designs. These cool, understated neutrals evoke sophisticated comfort and harmony.

You've Only Touched the Surface

Tech surfaces stay cool to the touch, even when exposed to sunlight. Soft and supple, they're tough enough to withstand kids and pets. Because they're inherently stain-resistant, no toxic aftercare is required to keep Metro tech, Eco tech and Ultra tech looking their best.

Earth Friendly

Maintenance & Care Instructions

Keep Ultrafabrics, LLC brand surfaces looking great by routine and proper maintenance. Clean regularly to prevent excessive dirt from accumulating. Follow these guidelines to extend the life of the fabric:

- Clean regularly with soap and water
- Wipe up spills as soon as they occur
- Remove stains with an alcohol-based cleaner like Fantastik®
- Disinfect using a 5:1 water/bleach solution
- Thoroughly rinse all cleaning solution residue with water
- Air dry
